

**Sampling scoops and spoons, PS, sterile****Bel-Art Products****Sampling scoops and spoons, PS, sterile**

White or red high-impact polystyrene plastic. Red colored scoops reduces the chance of residual sample staying in the scoop or the scoop being accidentally left behind in a sample. The spatula has a sturdy point for taking sterile samples and for piercing paper bags or similar packages.

- Individually sealed and sterilised in a polyethylene bag
- Long handle increases the distance between the hand and the sample
- Scoop is suitable for use as weighing boat
- Food-safe
- Lot stamped for accurate lot tracing
- Shipped with a Certificate of Processing for Sterilization
- Made from FDA grade materials
